WINERY®

STEINBERG ROSÉ

VARIETAL INFORMATION:

Reminiscent of a traditional pink Moscato-style wine, a very cold fermentation stopped early gives us a slightly lower alcohol wine with an impactful aromatic expression. By capturing its natural fermentative CO₂, the wine has a subtle fizz which leads to a refreshing and lively rosé.

TECHNICAL INFORMATION:

Alcohol - 8.0%

TASTING INFORMATION:

A companion to our Steinbergs, this is a refreshing semi-sweet rosé wine bursting with aromas of honeysuckle, guava, and strawberries. With a subtle spritz, its soft fruit flavors of lychee and raspberries paired with floral notes make it an alluring wine. (750 ml)
